

**BUILDING TIME IS HERE!** With rents still sky-high and Building Materials and Labor down, it does seem as though it is quite the opportune time to build. Whether it's a tiny inexpensive Bungalow or a big expensive Office Building. The merchants whose ads appear on this page will gladly furnish you "gratis" all kinds of information that will show you "How to Build Economically."

**DON'T BUY HARDWARE**

**FOR YOUR HOME AT A PRICE**

Insist that the machinery on your doors and windows be ornamental and of a metal that will not lose its beautiful finish.

If it's the best—we have it. No goods sold at a price. Quality is our argument.
